

**9/21/2012 MD Anderson Cancer Center
announcing its own “Moon Shots Program”**

http://www.cnn.com/2012/09/21/health/cancer-program/index.html?utm_source=feedburner&utm_medium=feed&utm_campaign=Feed%3A+rss%2Fcnn_health+%28RSS%3A+Health%29

**9/19/12 Major Legislative Breakthrough
Re: “...*passage of legislation to create
new federal research initiative...
give lung cancer priority status...*”**

<http://www.lungcanceralliance.org/news/lung-cancer-alliance-news/2012-lca-news/lca-announces-breakthrough-for-lung-cancer-research.html>

This article mentions Congresswoman Donna Christensen (among others) as strong advocates for the bill and House sponsors of the Lung Cancer Mortality Reduction Act. Congresswoman Christensen represents the U.S. Virgin Islands.
